INTRODUCTION

In order to provide a reference resource of visual markers for each Ayman al-Zawahiri video released, we have produced this guide. The guide contains one representative still image from each of the Ayman al-Zawahiri videos. This document does not cover audio releases. You can find a full listing of audio and video releases in the “al-Qaeda Messaging/Attacks Timeline”. The guide will be updated as new videos are released and we will also continue to go back through our archive to add stills from older material.

Full versions of these videos are available on DVD. The most up-to-date listing is always available at <http://www.intelcenter.com/audio-video> .
